

*Lesson 8: Values*

2 mins	Show students the images and elicit the topic 'values'
3 mins	Split students into groups Instruct students to discuss the 5 words in image 1 – which ones are important to them and why?
10 mins	Instruct students to take out their notebooks and pens. Tell students you are going to read a short text twice and that they should write down exactly what you say. Read it slowly the first time and at normal speed the second time. Students compare in pairs.
3 mins	Distribute Handout 1 and instruct students to compare what they wrote with the original and make any necessary corrections.
5 mins	Tell students to work in pairs and use the text to help them complete the Relative Pronouns Rules. Elicit answers.
5 mins	Instruct students to write down their FIVE values.
10 mins	Distribute Handout 2. Put students in pairs and instruct each pair to share their values with their partners. Instruct students to write a description of their partner's values using relative clauses.
2 mins	Error Correction
