

Lesson 4: Video games 2

3 mins	<p>Teacher instructs students they will each get one half of a picture and they have to find the other half by describing it to the other people in the class.</p> <p>Teacher tells students they MUST keep their picture secret.</p>
10 mins	<p>Students walk around the classroom trying to find their partner and sit down with their new partner.</p>
20 mins	<p>Teacher hands out the picture description worksheet.</p> <p>Teacher instructs students to describe the picture with their partner and write 5 sentences that describe the picture clearly.</p> <p>Error correction where necessary</p>
12 mins	<p>Teacher collects all descriptions and puts all the pictures up on the board for everyone to see.</p> <p>Students take turns reading out their descriptions and the other groups guess which picture they are describing.</p>
Optional	<p>Reverse Pictionary game (instructions on sheet)</p>
