Jobs for Generation Alpha

Dictation/Running Dictation

Many kids <u>like</u> the internet and social networks. This isn't surprising because they live in a digital world. About one in ten American children dreams of being a YouTuber or TikToker, just like older kids from Gen Z. Only three percent of them imagine being professional gamers.

1. '*<u>like</u>*' is an example of a verb in the Present Simple. Can you <u>underline</u> *four* more examples?

2. **Can you remember why and how we use the present simple? Circle a *or* b.**

    1. We use the Present Simple to describe:

        a. habits and routines   b. actions in progress

    2. We add -s/es to verbs in the 3rd person singular (he/she/it)

        a. Yes   b. No

    3.We use the verb _____ for questions and negative sentences.

        a. 'be'   b. 'do'
