

Lesson 8: Create a Company -Continuation of Lesson 1

| | |
|---|--|
| 3 mins | Teacher reminds students of the last lesson and asks students to take out their dictation worksheets that contain the company descriptions |
| 15 mins | Teacher explains that students are going to create their own company. Teacher splits students into pairs and hands out the 'Create a Company' worksheet to each group. Teacher instructs students to answer the questions and create a company. |
| 15 mins | Teacher gives each pair the 'Our Company' worksheet and the checklist. Students complete the worksheet and use the checklist to make sure their have included everything. |
| 12 mins | Students present their business. Teacher instructs students to listen to each presentation and use the checklist to see if the other groups have included all of the information. Students vote for the best business. |
| Homework/Option if students don't want to speak | Students write a short description of their business in pairs. If this is done in class, display the descriptions on the wall and instruct students to use the checklist to evaluate the descriptions and vote for the best one. |
